# Woof Sitter

In a world where the well-being of animals is becoming increasingly important, it's essential to offer them **unique experiences, tailored to their needs**, while giving you the peace of mind and confidence you need to make the most of your time.

My services are not limited to meeting basic needs: they are designed to enrich your pet's life, both physically and mentally, through **stimulating and dynamic activities**.

**Personalised and exclusive**, they are designed to meet the expectations of demanding owners who want to offer their faithful friend the very **best**.

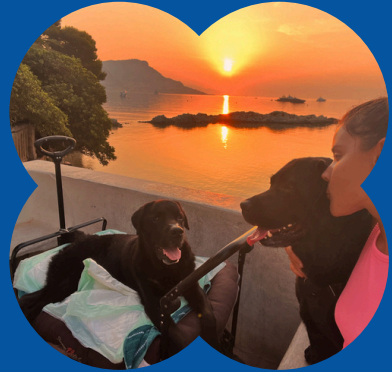

I'm delighted to introduce you to **Woof Sitter** my pet sitting and dog walking company. Much more than just pet-sitting or dog-walking, I offer **unique services** that are unheard of in the region.

*Why  
choose  
my services ?*

Playful outdoor guard is an **exclusive and unique** service specially designed to offer them an enriching day out, immersing your dog in a **variety of activities** that combine physical exercise, mental stimulation, sociability and entertainment.

Thanks to my **quality and trustworthy** services based on knowledge, know-how, experience and respect for animals, your four-legged companion will be looked after in a **safe and caring way.**

Services are designed to be both **flexible and personalised**, adapting to the needs of each animal and the preferences of owners. Care and activities are adapted to offer a **tailor-made experience** in complete serenity.

## A GUARD THAT DOES GOOD

Do you want to **fully enjoy your free time, guilt-free and with complete confidence** ?

Be reassured: while you're relaxing, your pet will be enjoying its own adventures.

No more worries or remorse: thanks to my services, your pet can enjoy some unforgettable moments too !

## AN EXCLUSIVE SERVICE IN AND AROUND MONACO

Unlike a traditional boarding kennel, I don't just look after the animals at home.

The days are punctuated by fun and **enriching physical activities** in the open air, **entertaining games** or even **encounters** with my horse Ibis and other animals that stimulate the dogs both physically and mentally.

## SERENITY AND FLEXIBILITY

Would you like to enjoy an afternoon of shopping, a romantic dinner, a boat trip or a relaxing moment at the spa? I'm here to look after your pet.

Whether it's a visit directly to your hotel/home or a playful outdoors guard at various places, **your pet will be looked after, pampered and entertained in complete safety.**

# *My services in detail*

# Home/hotel visits 🐶🐱

- Your pet will be looked after at the hotel/home for an hour or more.
- Walks around the household, games, meals, care and moments of tenderness; adapted to the needs of each individual.
- It is totally possible to accumulate hours.
- For example, if you want to go shopping, have lunch or dinner in a restaurant that doesn't accept pets, have a relaxing moment at the spa or even a massage...

**Rate: €40 per hour**

*\*For local residents, you should know that as a sportswoman, my trademark consists of **tonic and dynamic walks**. Your hyperactive dog have found a dog runner who's sure to get him going !*

*This allows you to **enjoy a few hours** of free time (shopping, restaurants, spa...) in serenity, knowing that your pet is in good hands.*

# Playful outdoors guards 🐶

- Pick up / drop off of the dog at the hotel/house, then transport at various locations during the day.
- Outdoor activities, mountain hikes, city strolls, swimming and even paddle boarding in summer, meetings with other animals (including my horse Ibis), stimulating games and varied excursions.
- A day enriched with activities and games that will stimulate your dog's mind, develop his sociability and keep him physically active, so that he can return home calm, happy and full of memories!

## Rate: €30 per hour

Depending on the number of hours and if night(s) planned at my home, overall rate to be discussed.

*(4h minimum)*

*This allows you to **enjoy plenty of hours** of free time (boat trips, long-distance excursions, extended activities...) with complete peace of mind and no guilt, in the knowledge that your animal is also enjoying unforgettable moments in the great outdoors.*

# Important conditions

- For visits, your pet must be chipped, vaccinated and wormed.
- For playful outdoors guards, your dog must be chipped, vaccinated, wormed and **sociable** with humans and other animals.
- For extended overnight stays, your dog must also be clean.

- A care contract will be signed between the pet sitter and the owner.

*Why you will  
adore it?*

## Tranquility

I am committed to providing an attentive, rigorous and **personalised** service for each animal, guaranteeing its comfort and safety.

## Quality

Qualified, passionate and **experienced**, I offer tailor-made childcare to ensure a calm and rewarding experience.

## Flexibility & Exclusivity

The times and duration of services can be **adapted** to suit your needs.

Your companion will enjoy **innovative services**.

## Photos & videos

During the session, photos and videos of your furball will be sent regularly via **WhatsApp** so that you can keep track of his activities and keep a souvenir of the great time he has had !

*Thanks !*

I would like to thank you for your trust and would be delighted to offer your companion **unique, entertaining and enriching moments** whether during your absence, your holidays or simply to enrich his daily life.
